Dear Ms Heimbold and Mr Vallen:

Thank you so much for the wonderful pictures B'Ahava organized and sent to us. We received the pictures today. They arrived just in time. Beginning tomorrow, we will be taking 300 children to camp during the Chanuka holiday. We will distribute the pictures you sent among the children, who will enjoy the bright and colorful designs the children in your communities developed.

Please accept our warmest wishes for a happy and healthy holiday season, and a prosperous New Year.

Sincerely,

Yehuda Poch  
Director of Communications
